IMCNHC Vision Statement

The Illinois & Michigan Canal connected the Illinois River to Lake Michigan, bringing people and commerce to northeastern Illinois. The canal and the towns that grew up along it share a legacy. Through interpretation, preservation, and providing educational and recreational experiences, we see the Heritage Corridor creating economic development, recreation, and education opportunities for residents and visitors, making the Corridor more prosperous and a place where people enjoy the benefits created by the canal and take pride in the region's history.

IMCNHC Mission Statement

The mission of the I&M Canal National Heritage Corridor is to: protect and preserve the natural, historical, and cultural resources of the Corridor; advance and stimulate economic development and activity within the Corridor; create and enhance opportunities for recreation in the Corridor; and interpret and cultivate the history of the Corridor and its significance in the settlement and growth of the region and nation.

Recreation Goal:

The recreational amenities of the Corridor will be enhanced and expanded to facilitate their enjoyment by more people.
